

CANCER

Sufferers from this horrible malady nearly always inherit it—not necessarily from the parents, but may be from some remote ancestor, for Cancer often runs through several generations. This deadly poison may lay dormant in the blood for years, or until you reach middle life, then the first little sore or ulcer makes its appearance—or a swollen gland in the breast, or some other part of the body, gives the first warning.

To cure Cancer thoroughly and permanently all the poisonous virus must be eliminated from the blood—every vestige of it driven out. This S. S. S. does, and is the only medicine that can reach deep-seated, obstinate blood troubles like this. When all the poison has been forced out of the system the Cancer heals, and the disease never returns.

Cancer begins often in a small way, as the following letter from Mrs. Shirer shows:

A small pimple came on my jaw about an inch below the ear on the left side of my face. It gave me no pain or inconvenience, and I should have forgotten about it had it not begun to inflame and itch; it would bleed a little, then scab over, but would not heal. This continued for some time when my jaw began to swell, becoming very painful. The Cancer began to eat and spread until it was as large as a half dollar when I heard of S. S. S. and determined to give it a fair trial, and it was remarkable what a wonderful effect it had from the very beginning; the sore began to heal and after taking a few bottles disappeared entirely. This was two years ago; there are still no signs of the Cancer, and my general health continues good.—Mrs. B. Shirer, La Plata, Mo.

S. S. S. is the greatest of all blood purifiers, and the only one guaranteed purely vegetable. Send for our free book on Cancer, containing valuable and interesting information about this disease, and write our physicians about your case. We make no charge for medical advice.

OUR COUNTY LEGISLATORS.

Proceedings of the Board of County Commissioners—Regular Session.

OCALA, FLA., Feb. 4, 1900.

At a regular meeting of the board of county commissioners held Monday, February 4, 1901, the following members were present: W. E. Allen, chairman, and Commissioners H. W. Lane, J. M. Liddell, D. L. Morgan and E. C. McLeod.

The minutes of last meeting were read and approved.

On motion it was ordered that the salary of ferryman at Stokes' ferry and Sharpe's ferry be fixed at \$15 per month, said ferries to be kept open until 8 p. m., free.

E. L. Stokes was, on motion, appointed ferryman at Stokes' ferry in place of J. Hara, who declined.

Fifteen broken chairs were sold to W. O. Tassie for \$1.

James Moore applied for admission to the poor farm, and it appearing that he was a citizen of Georgia and desired to return, it was ordered that he be furnished a ticket to Forsyth, Ga.

Chairman Allen reported receipt of check for \$775.62 from the state, in full of health, being balance due the county on account of small pox treatment.

It was ordered that W. W. Cassels be allowed \$5 per month as a pauper.

The following bonds were approved: J. A. Mundt, notary public; Joseph H. Bell, notary public; T. T. Munro, notary public; L. D. Farmer, road overseer; V. M. Seelinger, road overseer; C. H. Blum, road overseer; W. W. Cully, road overseer; Frank B. Turner, notary public; B. F. Holly, road overseer; G. J. Proctor, constable district No. 23; W. E. Tison, inspector of marks and brands district No. 11, west of the Ocklawaha river; J. R. Wilder, justice of the peace, district No. 17; D. L. Grantham, justice of the peace, district No. 13.

Thousands Have Kidney Trouble and Don't Know it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Anderson appeared before the board as a committee from the United States Court, and extended the thanks of the officials of said court to the board for the accommodations for holding said term of court in Ocala.

On motion it was ordered that the comptroller be recommended to reduce the valuation of lots 1 and 9, Dillard's sub of Summerfield, for taxes of 1897, 1898 and 1899 from \$500 to \$100.

The board then adjourned until Tuesday morning.

TUESDAY.

Board met. All members present. Commissioner Long submitted contract for books, stationery, etc., with the Marshall and Bruce Company, which was, on motion, approved.

On motion it was ordered that the clerk be requested to prepare a financial statement for next meeting of the board.

The clerk was requested to prepare an itemized statement of the legitimate cost of holding the term of the United States Court in Ocala, to be presented to the city of Ocala for payment of one-half of such expenses.

The town of Anthony was ordered paid \$32.77 on account of 1899 road taxes.

D. H. Humicut was ordered paid \$150, the balance of \$200 reward offered for conviction of murderers of Ira O. Arms.

Bond of ferryman at Grahamville was fixed at \$200. It was also ordered that the time that travellers may be detained be fixed at thirty minutes, and that said ferry be kept open from sunrise until 8 p. m., and that the charter granted to Allen Gibson at last meeting to be for one year from that date.

On motion it was ordered that J. R. Wilder, justice of the peace of district No. 17 be notified to appear before this board at its next meeting to show cause why legal proceedings should not be instituted against him for the cost in the case of the state of Florida against John Henney.

Bonds of J. K. Mixson and J. L. Tucker, road overseers, were approved.

On motion it was ordered that Capt. J. L. Carney be paid \$25 for material used on the Silver Springs road.

Petition for a public road from Ocala to Anthony was granted, same to become a chartered road when opened up by the petitioners, and A. C. Johnson, B. H. Leitner and D. A. Smith were appointed commissioners to lay out said road.

Petition for a public road from a point on Ocala and Lake Weir road, near southwest corner of section 20, township 16, range 23, to Starke's ferry, was granted, same to become a chartered road when opened by petitioners. R. L. Martin, James Hall and J. A. Briggs were appointed commissioners to lay out said road.

Bond of A. J. White, ferryman at Moss Bluff, was approved.

Application of A. W. Brown, agent A. J. White, for pensions from the state of Florida on account of services in Confederate army, were approved.

It having been brought to the notice of the board by the authorities of the United States that the bridge across the Ocklawaha river at Starke's ferry was built in violation of the laws of the United States and the regulations of the war department, Commissioner D. L. Morgan was, on motion, authorized to have said bridge removed.

Commissioner Long was authorized to get up a statement of costs incurred by the county in the injunction suit brought by H. L. Anderson, trustee, so that suit may be brought on the bond in said case for recovery of said costs and expenses.

T. E. Pasteur, county treasurer, submitted his report, showing receipts, disbursements and balances as follows:

The board then adjourned until the next regular meeting.

S. T. SISTRUNK, Clerk.

G. O. Wray, the expert tuner of the Halifax Music House, Daytona, is in town. Leave orders at Weihe's.

Call for State Convention of County Commissioners.

A meeting of the county commissioners of Florida and the Good Roads Association of the state will be held in the city of Jacksonville on Tuesday, the 19th day of February, at 10 a. m., for the following purposes, to-wit:

To perfect its organization by the adoption of a constitution and by-laws; receive new members from counties not heretofore affiliated with it in its conventions, and to receive a typewritten report from the delegates from each county, giving the number of miles in length, feet in width, inches of depth, of MacAdamized roads that have been built, together with a description of the grade established, the character of the material used, the kind of machinery used, the kind of labor employed, cost per day for same, and how convict labor compares with free labor, and cost per mile in constructing MacAdamized roads.

As county commissioners, in their official acts, come in contact with defective laws, and discover the necessity of additional laws for the public good, the various delegates, after conferring with their respective boards of county commissioners, will note and report such statutory laws as they believe should be amended, and formulate and submit to the association such additional laws as they think should be enacted into law; in particular, laws in reference to assessments and collection of taxes and licenses, sale, redemption and cancellation of tax certificates. And also making of plats and surveys of the lands of each county, to enable the tax assessors to intelligently perform their duties, and to attend to such other business as may properly come before the association.

The various boards of county commissioners of the state are earnestly requested to send at least one of their number as a delegate as matters in general that will be considered will, to some extent, apply to all the counties, especially the matter of formulating a bill to be enacted into law, grading the different qualities of hammock and pine lands of the state, and fixing a uniform value upon each grade so fixed throughout the state.

The various road officials having through messengers sent to our first convention held in Orlando, March 21st to the 23rd, tendering their good will and willingness to co-operate with us in our efforts to build good roads throughout the state, leads us to confidently expect them to give us a fare of one cent per mile each way.

The Good Roads Association of the state has agreed to meet with us and give us the benefit of its experience. All newspapers of the state will please copy.

H. W. LONG, FORCHER L'ENGLE, Chairman, Secretary.

LaGrippe Quickly Cured.

"In the winter of 1898 and 1899, I was taken down with a severe attack of what is called LaGrippe," says F. L. Hewitt, a prominent druggist of Winfield, Ind. "The only medicine I used was two bottles of Chamberlain's Cough Remedy. It broke up the cold and stopped the coughing like magic, and I have never since been troubled with Grippe. Chamberlain's Cough Remedy can always be depended upon to break up a severe cold and ward off any threatened attack of pneumonia. It is pleasant to take, too, which makes it the most desirable and one of the most popular preparations in use for these ailments. For sale by Anti-Monopoly Drug Store."

Orange Springs Normal.

The Normal and Commercial Institute at this place will open its second session on Monday, March 4, to continue twelve weeks, closing May 24. In addition to the regular normal work leading to all grades of county teachers' certificates, students will have best services in the commercial branches. Board at lowest rates with nice families. Come and recreate at the famous spring while taking advantage of the normal. For full particulars address J. H. BRINSON, 1-25-1m. Principal.

How to Cure the Grip.

Remain quietly at home and take Chamberlain's Cough Remedy as directed and a quick recovery is sure to follow. That remedy counteracts any tendency of the grip to result in pneumonia, which is really the only serious danger. Among the tens of thousands who have used it for the grip not one case has ever been reported that did not recover. For sale by Anti-Monopoly Drug Store.

Notice of Stockholders' Meeting. Notice is hereby given that the regular annual meeting of the stockholders of the Ocala Water Company will be held at the office of R. L. Anderson, the president of said company, in the city of Ocala, Fla., on Wednesday, the 20th day of February, 1901, for the election of officers and such other business as may be necessary to transact.
